## Must I Listen?

And they said unto Moses, "You speak to us and we will listen, but do not let God speak with us or we will die." **Exodus 20:19**

We do not consciously disobey God, we simply do not heed Him. God has given us His commands; there they are, but we do not pay any attention to them, not because of willful disobedience but because we do not love and respect Him.

We show how little we love God by preferring to listen to His servants only. We like to listen to personal testimonies, but we do not desire that God Himself should speak to us. Why are we so terrified lest God should speak to us? Because we know that if God does speak, either the thing must be done or we must tell God we will not obey Him. If it is only the servant's voice we hear, we feel it is not imperative, we can say, "Well, that is simply your own idea, though I don't deny it is probably God's truth."
